## Objective

To connect the world from one end to another one mini game at a time!

## Education

**BFA GAME DEVELOPMENT | 2020 | ACADEMY OF ART UNIVERSITY**

**HIGH SCHOOL DIPLOMA | 2016 | JAMES CAMPBELL HIGH SCHOOL**

## Skills & Abilities

### PHOTOSHOP

- Create rasterized images, edit or organize images through Photoshop. Craft detailed vectors/vector trace art.

### ILLUSTRATOR

- Construct high quality vector art, logos, and images.

### SCRIPTING (C# AND UE4)

- Write organized script that is easy to read for other people. Debug game mechanics, script character movement and mechanics.

### ORGANIZATION

- Take quality and readable notes, while not skipping over important details.

### COMMUNICATION

- Communicate with team members to effectively contribute meaningful input and receive constructive criticism toward improvement and overall goal.

### LEADERSHIP

- Experience leading a team, teaching new members, and recruiting committed members to club.

## Experience

### BARISTA | STARBUCKS | OCT 2017 – MAR 2018

- Hand craft coffee in a timely manner while establishing a welcoming interaction with customers.

### HOST/EXPEDITOR/WAIT HELP | ZIPPYS | 2017

- Welcome customers upon entering restaurant while assisting the servers in delivering food to tables.
